SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Dear Sir:

Applicant is filing this paper to formally advise the Examiner that an information disclosure statement is concurrently being filed in applicant's copending application SN 636,415.

In a continuing effort to reduce the bulk of this file, because his related copending applications are being examined by the same examiner (Examiner Howell), and pursuant to Examiner Howell's specific request, applicant has not duplicated, for this file, copies of the references cited in the information disclosure statement concurrently filed in SN 636,415. However, in a continuing effort to confirm the references of record, applicant submits the attached PTO-1449 form and Exhibit A, listing those documents concurrently filed in applicant's copending application.

If the Examiner has any questions or wishes applicant to file duplicate copies of any of the listed documents, please call applicant's undersigned attorney.

Pursuant to 37 C.F.R. § 1.97(e), applicant's undersigned attorney certifies that none of the enclosed documents were cited by a foreign patent office or, to his knowledge after making reasonable inquiry, was known to any person designated in 37 C.F.R. § 1.56(c), more than three months ago.

Respectfully submitted,

JEROME H. LEMELSON
